Judaism, Liberalism, and Political Theology - Randi Rashkover 2014

This title provides a broad encounter between modern Jewish thought and recent developments in political theology. In opposition to impetuous associations of Judaism and liberalism and charges that Judaism cannot engender a universal political order, the essays in this volume propose a new and richly detailed engagement between Judaism and the political.

The One Month Boyfriend - Roxie Noir 2022-05-24

Fake dating my sworn enemy to make my ex so jealous he can't see straight? Worth it. Silas and I agree on one thing, and one thing only: my ruthless, heartless, narcissistic jerk of an ex-fiance needs to be taken down a notch. So we do what anyone would do: we pretend to be a couple. Even though Silas and I are polar opposites. Silas is a loud, cheerful, over the top showboat. He's his hometown's golden boy, the Marine who came back to rescue kittens from trees and walk old ladies across the street. And me? I'm the awkward new girl who freezes up around strangers and can't make small talk to save my life. It shouldn't work. We can barely have a conversation without arguing. There's no way we should be friends, let alone dating, except... Everyone believes it. Especially my ex. Now I'm having way too many real fantasies about the man who gets on my last nerve. My fake boyfriend is starting to feel a

whole lot like a real one. The kisses feel real. The way he protects me feels real. The night we spend together in a hotel bed feels very real. This was supposed to be fake, but I think I might have fooled myself most of all. The One Month Boyfriend is the first book in the Wildwood Society series, and can be read as a total standalone. It's for fans of high heat enemies-to-lovers romantic comedies, and features two enemies who fake date for revenge, a quirky, charming small town, a former military cinnamon roll hero, a grumpy heroine who's charmed despite herself, anxiety and PTSD representation, and plenty of steamy scene. Of course, there's an HEA.

The Widow Waltz - Sally Koslow 2013-06-13

"This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney

scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

I Will Remember You - Kimberly B. Schuler 2011-03-01

A child's guide through grief that is formed by the truths of our Catholic faith and by what bereavement professionals have found helpful. This book helps children ages 7 to 12 understand death, funeral rituals, the grieving process, and what to expect during the first year after the loss of a loved one. Schuler gives reassuring voice to a child's feelings of loss, and provides a safe space where hopes can be expressed and memories can be treasured.

Kabbalah for Beginners: An Introduction to Jewish Mysticism - Theo Lalvani 2021-08-19

The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time,

Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science.

Death Waits in the Dark - Mark Edward Langley 2020-08-04

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Teaching Abby - Becca Jameson 2020-02-25

It's a summer internship. Never mind that the owners are hot. Never mind that there are three of them. Never mind that they are twice her age. Never mind that they have a secret "play" room in the basement. Never mind that she's never been more intrigued in her life. She only has three months. No matter how deeply she gets involved, she can't stay...

Integration and Management of Technology for Manufacturing - E. H. Robson 1991

To survive in the increasingly competitive economic conditions of the contemporary world, manufacturing organizations are continually seeking ways of improving their market shares by becoming more effective and efficient and by producing goods of higher quality. It appears that advanced manufacturing technology (AMT) can provide at least some of the means of achieving these improvements.

Goodnight Mysteries Books 1-3 - elise sax 2019-04-27

Goodnight Mysteries: Book 1 - 3 The Goodnight Mysteries series is the small-town mystery romance spinoff of the Matchmaker Mysteries.

Goodnight...Sometimes sweet dreams end in murder. * Die Noon * Matilda Dare can't sleep. Her insomnia is one more reason to move to the quirky small town of Goodnight, New Mexico after she inherits a house, a small newspaper, and two old dogs there. But despite the Goodnight name, Matilda still spends her nights wide awake, and she has good reason after a reporter is murdered. With a mystery to solve, she begins to investigate the town and uncovers more suspects than she knows what to do with. Meanwhile, the hottie cowboy sheriff is doing his own investigation into Matilda, and the mysterious, handsome stranger, who just happens to live with her, is showing up in all the wrong places. As her investigation continues, danger increases, and it might end up spelling lights out for Matilda. * A Doom with a View * Matilda Dare still can't sleep. Since she's arrived in Goodnight, New Mexico, she's solved one murder and had more than one conversation with a dead woman. Obsessed with finding the woman's killer, she has to put that on hold when her newspaper receives a mysterious, coded letter. When the author of the letter winds up dead, Matilda is thrust into a mystery that puts her new friends into danger. The hunky Sheriff Goodnight and Matilda's hunky roommate Boone are along for the ride in this funny action adventure that might end up spelling lights out for Matilda. * Jurassic Dark * Matilda Dare might be in a new relationship, but she's not sure. Ever since Boone kissed her, it's been up in the air if they're an item or not. Either way, she can't focus on romance for very long because one of her best friends has been accused of murder,

and Matilda is bound and determined to prove her innocence. Matilda and Boone find themselves on the trail of the real killer out in the wilds of New Mexico. But as they're pursuing the killer, they're being pursued as well. * "Elise Sax will win your heart."—New York Times bestselling author Jill Shalvis * "Sax will make you laugh. Her larger-than-life characters jump off the page and make crazy seem like a fun place to hang out."—New York Times bestselling author Christie Craig * "With quirky characters reminiscent of Janet Evanovich's Stephanie Plum series and a small-town heroine redolent of Charlaine Harris' Sookie Stackhouse" --RT Book Reviews "Fans of laugh-out-loud romantic suspense will enjoy this new author as she joins the ranks of Janet Evanovich, Katie MacAllister, and Jennifer Crusie."—Booklist, on An Affair to Dismember "A lighthearted and amusing caper with a sexy side order of romance . . . Gladie is an endearing mess of a character, and the book is fast-paced and amusing, with a large cast of quirky, small-town characters."—Kirkus Reviews, on Matchpoint * "There's plenty for fans to enjoy in Sax's third Matchmaker installment, complete with energetic narration, zany humor and a mystery that's as engaging as the details of Gladie's love life."—RT Book Reviews, on Love Game

Jobs - Henry Lee 2018-08-19

It has been reported in various business websites, news stations, newspapers and social media that the US unemployment rate went down to 5.5% as of February 2015. Is this good news? Yes, because that means 94.5% of the working population is employed. The bad news is you might be, or might know someone, who is still a part of the remaining 5.5%.

Now, with the competition that includes knowledge, experience, personality and determination as the main criteria for judging, you have to prove yourself worthy of a position in that 94.5%. It does not matter if you have been laid off, you resigned or a fresh graduate; what is important is that you want the bosses to know what you are capable of. If you have been looking around and trying for quite some time now but is still not getting that offer, you might want to revamp your plans. This book aims to help you find and get that job you have always dreamed of. It will guide you through the whole process of job-hunting: from the searching, to preparing your documents, the interview and whatever comes next. These are proven effective ways on how to get a job in 30 days without sacrificing your passion or talent.

Introduction to Laser Technology - C. Breck Hitz 2012-04-10

The only introductory text on the market today that explains the underlying physics and engineering applicable to all lasers Although lasers are becoming increasingly important in our high-tech environment, many of the technicians and engineers who install, operate, and maintain them have had little, if any, formal training in the field of electro-optics. This can result in less efficient usage of these important tools. Introduction to Laser Technology, Fourth Edition provides readers with a good understanding of what a laser is and what it can and cannot do. The book explains what types of laser to use for different purposes and how a laser can be modified to improve its performance in a given application. With a unique combination of clarity and technical depth, the book explains the characteristics and important applications of commercial lasers worldwide and discusses light and optics, the fundamental elements of lasers, and laser modification.? In addition to new chapter-end problems, the Fourth Edition includes new and expanded chapter material on: Material and wavelength Diode Laser Arrays Quantum-cascade lasers Fiber lasers Thin-disk and slab lasers Ultrafast fiber lasers Raman lasers Quasi-phase matching Optically pumped semiconductor lasers Introduction to Laser Technology, Fourth Edition is an excellent book for students, technicians, engineers, and other professionals seeking a fuller, more formal introduction to the field of laser technology.

Fluid Mechanics for Chemical Engineers - James O. Wilkes 2017-07-20

The Chemical Engineer's Practical Guide to Fluid Mechanics: Now Includes COMSOL Multiphysics 5 Since most chemical processing applications are conducted either partially or totally in the fluid phase, chemical engineers need mastery of fluid mechanics. Such knowledge is especially valuable in the biochemical, chemical, energy, fermentation, materials, mining, petroleum, pharmaceuticals, polymer, and waste-processing industries. Fluid Mechanics for Chemical Engineers: with Microfluidics, CFD, and COMSOL Multiphysics 5, Third Edition, systematically introduces fluid mechanics from the perspective of the chemical engineer who must understand actual physical behavior and solve real-world problems. Building on the book that earned Choice Magazine's Outstanding

Academic Title award, this edition also gives a comprehensive introduction to the popular COMSOL Multiphysics 5 software. This third edition contains extensive coverage of both microfluidics and computational fluid dynamics, systematically demonstrating CFD through detailed examples using COMSOL Multiphysics 5 and ANSYS Fluent. The chapter on turbulence now presents valuable CFD techniques to investigate practical situations such as turbulent mixing and recirculating flows. Part I offers a clear, succinct, easy-to-follow introduction to macroscopic fluid mechanics, including physical properties; hydrostatics; basic rate laws; and fundamental principles of flow through equipment. Part II turns to microscopic fluid mechanics: Differential equations of fluid mechanics Viscous-flow problems, some including polymer processing Laplace's equation; irrotational and porous-media flows Nearly unidirectional flows, from boundary layers to lubrication, calendaring, and thin-film applications Turbulent flows, showing how the $k-\epsilon$ method extends conventional mixing-length theory Bubble motion, two-phase flow, and fluidization Non-Newtonian fluids, including inelastic and viscoelastic fluids Microfluidics and electrokinetic flow effects, including electroosmosis, electrophoresis, streaming potentials, and electroosmotic switching Computational fluid mechanics with ANSYS Fluent and COMSOL Multiphysics Nearly 100 completely worked practical examples include 12 new COMSOL 5 examples: boundary layer flow, non-Newtonian flow, jet flow, die flow, lubrication, momentum diffusion, turbulent flow, and others. More than 300 end-of-chapter problems of varying complexity are presented, including several from University of Cambridge exams. The author covers all material needed for the fluid mechanics portion of the professional engineer's exam. The author's website (fmche.engin.umich.edu) provides additional notes, problem-solving tips, and errata. Homeopathic Guide for Travelers - Ravi Roy 2013-01-08
Ravi Roy and Carola Lage-Roy present a wealth of strategies for using homeopathic medicine to stay happy and healthy while traveling. A bestseller in its original German edition, The Homeopathic Guide for

Travelers is equally useful for backpackers, business travelers, and even luxury vacationers. It provides all the preparation needed for a journey, whether a short outing, far-off holiday, or challenging trek. The homeopathic remedies profiled here—many of them effective even when taken last-minute—address everything from exhaustion to altitude change, from jet lag to climate shifts to the side effects of unfamiliar foods. Drawing from the latest research, the book describes which homeopathic medicines work best against infectious diseases, such as malaria, hepatitis, and Lyme disease, and details remedies for injuries sustained while backpacking, climbing, or diving. Roy and Lage-Roy also explain how to treat stings and bites from poisonous animals and reactions from plants like poison ivy. An introductory chapter features a basic traveler's first-aid kit.

To My Arrogant Boss - J. S. Cooper 2021-01-01

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? Keywords: MfM ménage, Daddy romance, mafia romance, kidnapping, romantic suspense, new adult

One Hot Holiday - Cynthia Eden 2019-11-19

She's running for her life. He's the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He's charming, he looks way too good in a Santa hat, and, oh, yes, he's her new landlord. The hits just keep coming. She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer. Usually, Haley falls for the bad guy. It's the whole reason she's running for her life. She can't help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of

wild elves, and a stalker ex don't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

Information Technology Essentials for Behavioral Health Clinicians - Naakesh Dewan 2010-11-02

The purpose of this book is to be the premier resource for behavioural health clinicians who are considering adopting technology into their practice. Written by experts and policy makers in the field this book will be recognized as the gold standard. Other books currently in this field are extremely technical and are geared primarily to policy makers, researchers and informaticians. While this book will be a useful adjunct to that audience, it is primarily designed for the over .5 million behavioural health clinicians in the U.S. and the millions others around the world. Adoption of technology is slow in behavioural healthcare, and this book will enhance the adoption and utilization of various technologies in practice. I.T. vendors may also purchase this book for their customers. [Intel486 Microprocessor Family Programmer's Reference Manual](#) - Intel Corporation 1992

Guarding the Single Mother - Leslie North

Retired Navy SEAL, Clint Backwater, enjoys his solitary life as owner of the Ask Questions Later gun range. It's the kind of place you find because you know a guy. So when Leila Ortiz, a petite woman with a "baby on board"

sticker on the back of her car—and an 18-month-old boy in her arms—shows up at the range, panicked and desperate for a gun, he knows something is wrong. Having grown up in the foster system, Clint has seen what happens when you let yourself get too invested—things get messy, people leave. He made himself a promise to never get emotionally involved again, but the former SEAL in him feels the tug to help this woman and her child. Leila's ex-husband is being released from prison early on good behavior and she found out too late. He was supposed to serve five years, not two, and Leila is unprepared to protect herself and her son. She promised him they'd never run again—they've made a nice life for themselves and the last thing she wants to do is leave it all behind. When Clint refuses to give Leila a gun without lessons, she agrees to return to the range to learn. At first, Leila won't say why she's so desperate for protection, but when the threats from her ex escalate, it becomes clear what she's afraid of. Clint is a loner. Always has been, always will be. So when Leila and her little son enter his life, it hits him—hard— maybe being alone isn't what he needs. Still, having his solitary life disrupted when he invites the little family into his home is a bit tougher to take than he thought. With Leila and her son in danger, though, he'll do whatever it takes to keep them safe—even putting up with stray toys and changing a nappy or two. But the biggest danger might be to his heart, when it starts to look like the safest thing for Leila and her baby might be to leave her problems—and her budding relationship with Clint—behind.

The Duke and the Lady - Jessie Clever 2020-11-19

Lady Louisa Darby blames herself for her mother's death when the Darby sisters were still so young and has dedicated her life to ensuring her sisters' happiness. So when she's lured into a compromising situation that

will endanger her youngest sister's chance at a happy marriage, Louisa will do whatever is necessary to protect her family's reputation and save her sister's chance at the future she deserves. Even if it means marrying the Beastly Duke. Sebastian Fielding, the Duke of Waverly, has spent years cultivating his reputation as the Beastly Duke to ensure he'll never make the mistake of falling in love and repeating his father's fatal mistake. But when honor calls on him to marry Lady Louisa Darby, his

best intentions may not be good enough. For not even a beast can withstand the charms of the belle of the ball. The Duke and the Lady is the second book in the steamy, heart-stopping historical romance series, The Unwanted Dukes. If you love sexy, spellbinding romance and heartwarming humor, don't miss this captivating series from bestselling author Jessie Clever.
