Once a Marine - Nick Popaditch 2008-10-01

The Silver Star-awarded marine chronicles his service in Iraq in this "transcendent memoir of military service and its personal consequences" (Ralph Peters, Lt. Col., ret., author of *Looking For Trouble*). In April, 2003, an AP photographer captured a striking image seen around the world of Gunny Sergeant Nick Popaditch smoking a victory cigar in his tank, the haunting statue of Saddam Hussein hovering in the background. Though immortalized in that moment as "The Cigar Marine," Popaditch's fighting was far from over. The following year, he fought heroically in the battle for Fallujah and suffered grievous head wounds

that left him legally blind and partially deaf. But he faced the toughest fight of his life when he returned home: the battle to remain the man and Marine he was. At first, Nick fights to get back to where he was in Iraq—in the cupola of an M1A1 main battle tank, leading Marines in combat. As the seriousness and permanence of his disabilities become more evident, Nick fights to remain in the Corps in any capacity and help his brothers in arms. Then, following a medical retirement, he battles for rightful recognition and compensation for his disabilities. Throughout his harrowing ordeal, Nick fights to maintain his honor and loyalty, waging all these battles the same way—the Marine way—because anything less would be a betrayal of all he holds dear.

Winterrules - Robert Eisenhauer 2005

Robert Eisenhauer's "Winterrules" focuses on the complex and ambivalent interrelation between lived experience (autobiography) and cultural memory. "Winterrules," prompted by the old question, 'What purpose does poetry serve in an age deprived of poetic sensibility?' seeks to situate the author's personal experience within a field of cross-cultural reference, responding to aspects of the Western and Far Eastern cultural heritage, as well as scenes from contemporary life. "Winterrules" enlivens the reading experience through vivid, sometimes jarring juxtapositions, such as Tinker Toys in outer space or Dante's vision of hell. Eisenhauer's wide-ranging travels are reflected in vignettes taken from the hard roads and wild coasts of North America, Europe, Mexico and the Greek Isles. While the dominant mood is serious, the poetic texts gathered here often approach their subjects with an objectivity combining clinical attachment with light-hearted engagement. As sailor, biker, teacher, translator and scholar, Eisenhauer takes the reader on a memorable voyage.

Honda ATVs Foreman and Rubicon '95 to '11 - Editors of Haynes Manuals 2015-12-01
