Just My Type - Simon Garfield 2011-09-01
A hugely entertaining and revealing guide to the history of type that asks, What does your favorite font say about you? Fonts surround us every day, on street signs and buildings, on movie posters and books, and on just about every product we buy. But where do fonts come from, and why do we need so many? Who is responsible for the staid practicality of Times New Roman, the cool anonymity of Arial, or the irritating levity of Comic Sans (and the movement to ban it)? Typefaces are now 560 years old, but we barely knew their names until about twenty years ago when the pull-down font menus on our first computers made us all the gods of type. Beginning in the early days of Gutenberg and ending with the most adventurous digital fonts, Simon Garfield explores the rich history and subtle powers of type. He goes on to investigate a range of modern mysteries, including how Helvetica took over the world, what inspires the seeming ubiquitous use of Trajan on bad movie posters, and exactly why the all-type cover of *Men are from Mars, Women are from Venus* was so effective. It also examines why the "T" in the Beatles logo is longer than the other letters and how Gotham helped Barack Obama into the White House. A must-have book for the design conscious, *Just My Type's* cheeky irreverence will also charm everyone who

loved Eats, Shoots & Leaves and Schott's Original Miscellany.

The Dust Busting Chronicles - Cheryl L. Cushine 2007-07-03

The Dust Busting Chronicles: Cleaning My Way Through Ovarian Cancer details the horrific and life-altering battle against ovarian cancer during a harrowing 19-month period. The story relays the logistical challenges of a life-threatening disease, and explores poignant moments of hope, anger, frustration and defeat. The story begins with the author packing up her life in New Jersey, after the loss of her life partner, Lyse. The ensuing chapters disclose the cancer experience in compelling detail.

Chemotherapy treatments begin, and the couple adjusts to a regimen of infusions, disabling side effects, and a mountain of pills. Cheryl's obsessive-compulsive disorder grows in scope as Lyse's medical challenges put a strangle hold on all areas of their life. The story gives the reader an intimate view of the dark side of the author's coping mechanism and the stress that accompanies her rituals. The first chemotherapy regimen results in a good report, but several months later, the couple receives discouraging news. Two more chemotherapy protocols follow and both yield disastrous results. The final three weeks of Lyse's life, spent at Holy Name Hospital, were dramatic, tender, and passionate. The concluding chapter is a matter-of-fact but moving account of accepting things, even death, as they are, loving so deeply it's painful, and coming through on the other side. Those of us left on this side will move forward, alone, but

having loved in such a way that that is all we truly remember in the end. Smitten Kitchen Every Day - Deb Perelman 2017-10-24

NEW YORK TIMES BEST SELLER • From the best-selling author of The Smitten Kitchen Cookbook—this everyday cookbook is “filled with fun and easy ... recipes that will have you actually looking forward to hitting the kitchen at the end of a long work day” (Bustle). A happy discovery in the kitchen has the ability to completely change the course of your day. Whether we’re cooking for ourselves, for a date night in, for a Sunday supper with friends, or for family on a busy weeknight, we all want recipes that are unfussy to make with triumphant results. Deb Perelman, award-winning blogger, thinks that cooking should be an escape from drudgery. Smitten Kitchen Every Day: Triumphant and Unfussy New Favorites presents more than one hundred impossible-to-resist recipes—almost all of them brand-new, plus a few favorites from her website—that will make you want to stop what you’re doing right now and cook. These are real recipes for real people—people with busy lives who don’t want to sacrifice flavor or quality to eat meals they’re really excited about. You’ll want to put these recipes in your Forever Files: Sticky Toffee Waffles (sticky toffee pudding you can eat for breakfast), Everything Drop Biscuits with Cream Cheese, and Magical Two-Ingredient Oat Brittle (a happy accident). There’s a (hopelessly, unapologetically inauthentic) Kale Caesar with Broken Eggs and Crushed Croutons, a Mango Apple Ceviche with Sunflower Seeds, and a Grandma-Style Chicken Noodle Soup that fixes everything. You can make Leek, Feta, and Greens Spiral Pie, crunchy Brussels and Three Cheese Pasta Bake that tastes better with brussels sprouts than without, Beefsteak Skirt Steak Salad, and Bacony Baked Pintos with the

Works (as in, giant bowls of beans that you can dip into like nachos). And, of course, no meal is complete without cake (and cookies and pies and puddings): Chocolate Peanut Butter Icebox Cake (the icebox cake to end all icebox cakes), Pretzel Linzers with Salted Caramel, Strawberry Cloud Cookies, Bake Sale Winning-est Goopy Oat Bars, as well as the ultimate Party Cake Builder—four one-bowl cakes for all occasions with mix-and-match frostings (bonus: less time spent doing dishes means everybody wins).

Written with Deb's trademark humor and gorgeously illustrated with her own photographs, *Smitten Kitchen Every Day* is filled with what are sure to be your new favorite things to cook.

The Artful Baker - Cenk Sonmezsoy
2017-10-17

A collection of more than 100 extraordinary desserts—all with photos and meticulous instructions—by Cenk Sönmezsoy, creator of the internationally acclaimed blog Cafe Fernando. Written, styled, photographed, and designed by Cenk Sönmezsoy, The Artful Baker shares the inspiring story of a passionate home baker, beginning with his years after graduate school in San Francisco and showcasing the fruits of a baking obsession he cultivated after returning home to Istanbul. Sönmezsoy's stories and uniquely styled images, together with his original creations and fresh take on traditional recipes, offer a thoughtful and emotional window into the life of this luminary artist. The Artful Baker is comprised of almost entirely new content, with a few updated versions of readers' favorites from his blog, such as Brownie Wears Lace, his signature brownies topped with blond chocolate ganache and bittersweet chocolate lace (originally commissioned by Dolce & Gabbana and awarded "Best Original Baking and Desserts Recipe" by Saveur magazine); Raspberry Jewel Pluot Galette, a recipe inspired by Chez Panisse's 40th year anniversary celebrations; and Devil Wears Chocolate, his magnificent devil's food cake that graces the cover of the book. Each chapter highlights a variety of indulgences, from cookies to cakes and tarts to ice creams, including recipes like Pistachio and Matcha Sablés; Tahini and Leblebi (double-roasted chickpeas) Swirl Brownies; Sakura Madeleines; Sourdough Simit, the beloved ring-shaped Turkish bread beaded with sesame seeds; Isabella Grape and Kefir Ice Cream; Pomegranate Jam; and Blanche, a

berry tart named after the Golden Girl Blanche Devereaux. Every recipe in *The Artful Baker* has gone through a meticulous development phase, tested by an army of home bakers having varying levels of skill, equipment, and access to ingredients, and revised to ensure that they will work flawlessly in any kitchen. Measurements of ingredients are provided in both volume and weight (grams). Where a volume measurement isn't useful, weight measurements are provided in both ounces and grams.

Ethnologia Europaea 36:1 - Orvar Löfgren 2007-06

This volume starts out with two contrasting studies of monuments. How does the seemingly stability of stone and bronze hide a constantly changing cultural use? Anne Eriksen looks at the history of ruins in Norway. The murmur of ruins turns out to be a speech of modernity, a way of emotionalising place and history. Viktoriya Hryaban discusses the fate of socialist monuments in Ukraine and shows how the attempts to create alternative post-socialist memorials reproduce a traditional Soviet cultural grammar. Lace is a dominating decorative element in many Turkish Dutch homes. It has become a sign of "Turkishness" but as Hilje van der Horst points out, people's relations to this mundane domestic element mirror some important conflicts and ideas about modernity and ethnicity. From the cultural media of monuments and lace, the discussion moves on to two more classic mass media and their role in identity politics. Stijn Reijnders explores a popular Dutch game show that has managed to survive for decades, becoming something of a national institution for some, an example of an outmoded genre for others. How does the involvement mirror ideas of an imagined national community? Finally, Silke Meyer looks at an 18th century national stereotype of "The German quack" in English popular debate and mass media. How did this caricature of Germanness become an alter ego of the English?

Ivy Briefs - Martha Kimes 2007-05-15

From first-day nerves to first-year grades, from bizarre job interviews to bar exam insanity, Ivy Briefs pulls back the curtain on the marbled halls of law school, revealing the absurdity often bubbling beneath the surface. Meet Martha Kimes: a naïve small-town girl with strong neurotic tendencies who has (due to an inexplicable stroke of luck) been admitted to Columbia Law School. She's a Midwesterner in the middle of Manhattan, a student on the verge of a

nervous breakdown. In her candid memoir -- the best of its kind since *One L* and the only one written by a woman -- Kimes makes her way through law school, doing battle with a memorable cast of characters: The Sadistic Professor: Every law student's nemesis, the Sadistic Professor takes pity on no one. The Socratic Method is his favorite torture device, and he's got staying power that rivals that of the Energizer Bunny. The Gunner: So enamored with the sound of his own voice, he finds it physically impossible to keep his hand from gunning up into the air every time a professor asks a question. Ten minutes into the start of the school year, everyone is already sick of the Gunner. The Do-gooder: Lurking behind a kind exterior is a pit bull ready to pounce on those who don't plan to devote their legal careers to public service. But would she be so quick to categorize all those who dare go into corporate law as loathsome, soulless warriors for the devil if she, too, had student loans to repay? The Boarding School Bastard: He wears a firmly pressed pin-striped oxford shirt and has a condescending attitude bigger than most European countries. By definition he is better than you because he went to Exeter. And he'll never let you forget it. With sharp wit, dead-on aim, and a healthy dose of self-deprecation, Kimes proves that it is possible to survive law school with both your sense of humor and your sanity intact.

Dreaming of the Bones - Deborah Crombie 2007-01-30

It is the call Scotland Yard Superintendent Duncan Kincaid never expected—and one he certainly doesn't want. Victoria, his ex-wife, who walked out without an explanation more than a decade ago, asks him to look into the suicide of local poet, Lydia Brooke—a case that's been officially closed for five years. The troubled young writer's death, Victoria claims, might well have been murder. No one is more surprised than Kincaid himself when he agrees to investigate—not even his partner and lover, Sergeant Gemma James. But it's a second death that raises the stakes and plunges Kincaid and James into a labyrinth of dark lies and lethal secrets that stretches all the way back through the twentieth century—a death that most assuredly is murder, one that has altered Duncan Kincaid's world forever.
